

RAISE YOUR GLASS

HEAD & NECK CANCER AWARENESS

Sunday, April 7, 2024
5:00 - 7:30 PM EST

WHAT?

April is Head and Neck Cancer Awareness Month. Help us celebrate survivors, give hope to patients and caregivers, and honor those that we have lost.

Help us make a difference by raising funds and awareness. We are wrapping a Mercedes-Benz with the names of cancer survivors, patients and caregivers from all cancer types. All proceeds from this event will go to Head and Neck Cancer Alliance programs.

Enjoy an evening of music, delicious hors d'oeuvres, whiskey tastings, wine, desserts, and a silent auction.

Make sure to stop by and get screened and pick up information from our awesome medical volunteers to learn more about Head & Neck cancers.
